

Bukowski Chair

A throwback to mid-century modern? Not quite. Extreme proportions lend themselves to an elegant and surprising form in this update to an old classic. The smooth, yet decisive, shift between slim and solid, which creates the chair's curvaceous legs, is played out like a lively dance with the material. Meanwhile the balance of the weight towards the ground gives the chair a strong and monumental feel. Centered in the sculptural structure is an upholstered seat, opening for different expressions through the combinations of wood and textile. With its bold geometry, the Bukowski chair shows off a striking silhouette, instantly recognisable, indefinably familiar, and completely its own.

Product highlights

- Made of Solid wood.

Assembly Requirements Preassembled

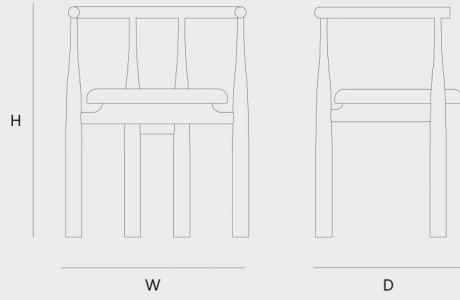

Material The Bukowski Chair is made from FSC® certified solid wood with high-quality craftsmanship. The backrest is crafted from a single piece of steam-bent wood, which is sanded and shaped. The legs are turned and machined with high precision to perfectly complement the backrest. The chair is assembled with either an upholstered seat or a seat made of French cane.

Cleaning & Care Treat the wood and french cane by using a soft, dry cloth to remove dust. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the materials.

Clean the upholstery by using a damp cloth to gently wipe the stain. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the textile. For further cleaning and maintenance instructions, please adhere to the textile manufacturer.
